Absentiasm Protocol

I _____

Parent/Guardian/Self of _____
Completely understand the importance of punctuality, as well as, actually showing up for my child/my scheduled training, ride time, or other scheduled events, pertinent to the program including getting donations or sponsorships to pay for my training.

If I am not paying, out of my pocket \$400.00/\$480.00 for the Language of the Horse 101 A or B training, I promise to participate in door to door donations or any other fund raising event until which time my sponsorships have been completed.

Should I fail to call or show **one** time I will receive a **verbal warning** that "I may lose my position as well as moneys previously raised to another needy, willing to show up, participant.

Upon the **second** time of no call no show I shall receive a **written report** in my file stating "I am not complying with agreed upon terms. one more, no call no show, shall result in suspension of 2 sessions as well as losing all previously gathered sponsorship moneys. I will be required to start over on sponsorship money goals that pay for my session as well as training and ride time."

Third no call no show results in suspension of 2 sessions and starting over all sponsorship money goals. **The money I previously raised will go to a participant interested in showing up, on time.**

Should I need to cancel my/my child's sessions, a 24 hr notice call is required. If there is not 24 hrs notice it is considered a no call no show, however depending on the reason for absentiasm, the board may vote special exceptions as long as you make an effort to communicate with that phone call, and you don't leave New Hope holding a saddled horse with no rider. Or any other scheduling conflicts, a no call no show can affect many other volunteers as well as the animals schedules soPlease be compassionate to others.

I agree to and completely understand said terms.
